SEO: Moz | SEMrush | Google Analytics

Email Marketing: Mailchimp | Salesforce

Marketing Cloud

Social Media: BuzzSumo | Hootsuite

## Professional Experience

**ST. JUDE CHILDREN'S RESEARCH HOSPITAL** | Memphis, Tennessee

**Associate Software Development Engineer**

July 2019 – Present

- Design and develop the Genomics Platform app on St. Jude Cloud, a ReactJS/Ruby on Rails site that shares genomics data and analysis tools with scientists globally
- Design and develop an educational Gatsby site and corresponding figures
- Worked with a network of internal and external professionals to launch the site's restructure and spearheaded developing the new, top-level Gatsby site
- Designed and maintain an electronic data access agreement wizard that integrates with DocuSign® and improves the UX of requesting data from the app
- Expanded the wizard's functionality to pre-populate users' information in data access agreements to collect signatures manually (alternative to DocuSign®)
- Worked with another designer to rebuild the project's theme repo, enhancing its content to empower internal stakeholders and developers to harvest brand assets and use the theme's components on their sites

**MERCER CAPITAL** | Memphis, Tennessee

**Senior Graphic Designer & Marketing Associate**

July 2014 – July 2019

- Protected the brand in both print and digital mediums and oversaw marketing data
- Regularly updated corporate website, redesigned the CEO's blog, and maintained several microsites
- Created more than a dozen quarterly newsletters, mocked up several weekly blogs, and communicated with corresponding email distribution lists
- Analyzed SEO and traffic KPIs on websites, emails, and social media
- Oversaw the Salesforce build-out and became in-house Salesforce admin

**FIRST STATE** | Martin, Tennessee

**Graphic Artist & Marketing Assistant**

October 2013 – April 2014

- Created cohesive designs for a diversified financial institution within regulations
- Created print ads for newspapers, lobby posters, and fliers
- Translated print ads to digital ecosystem for emails and website graphics

**SOUTHERN BRIDE MAGAZINE** | Memphis, Tennessee

**Graphic Design & Marketing Intern**

June 2012 – August 2012

- Created website and social ads for clients and buttons for sister site
- Vetted vendors to feature products and as potential advertising partners
